

Paper Plate Bumblebee

Materials

- a paper plate
- wax paper
- scissors
- tape
- small triangle of black paper
- yellow marker or paint
- black marker or paint

Directions

- 1) Paint or color the paper plate yellow and let it dry
- 2) With black paint or marker, put on stripes
- 3) Cut 2, U-shaped wings out of waxed paper
- 4) Attach the wings to the Bumblebee's body with tape
- 5) Tape the black triangle to the back of the bee as a stinger
- 6) Draw the bee's face and enjoy your Bumblebee!

*Adults should help young children with these steps
